PREFACE

This report is one in a series on Soviet Ground Force and logistic installations being prepared for a DIA/CIA Panel. The series is being coordinated, published and disseminated by NPIC. The photographic analysis is being performed by the NPIC Photographic Analysis Group, the CIA Photographic Intelligence Division (NPIC), and the Production Center IPIC (DIA). The photographic analysis for this particular report was performed by the NPIC Photographic Analysis Group.

In the interest of uniformity, the titles and letter designators for the facilities observed at these installations are identical with those appearing in the project requirement. When a specific facility is not observed both its title and letter designator are omitted in the report.

Titles and letter designators for the various facilities are as follows: (A) railroad service, (B) road service, (C) landing strips, (D) administrative and troop housing areas, (E) storage areas, (F) ammunition storage areas, (G) POL storage areas, (H) other buildings and facilities, (J) equipment storage/maintenance areas, (K) athletic fields, (L) small-arms firing ranges, (M) driver training areas, (N) tank/assault gun firing ranges, (P) flat trajectory firing ranges, (Q) artillery emplacements (batteries), (R) infantry or combined arms field training area or courses, (S) special training facilities, (T) unidentified facilities or tracking activity.

SUMMARY

A probable military depot is located in the southwest section of Fastov (Figure 1).

The installation covers approximately 60 acres, is probably secured, and contains 2 administration buildings, 4 barracks, 6 storage buildings, 2 vehicle maintenance buildings, 3 vehicle parks, an open storage area, 2 small-arms firing ranges, a probable drill field, a

probable water tower, 2 probably buried POL tanks, and 10 support buildings (Figures 2 and 3).

The depot is covered by 7 KEYHOLE missions between June 1961 and August 1964 and appears active on all coverage. One storage building was under construction on the August 1964 coverage.

DESCRIPTION OF INSTALLATION

Railroad Service

The depot is approximately 1 kilometer (km) west of Fastov rail yards.

Road Service

The depot is served by Fastov city streets.

Administrative and Troop Housing Area

Area D contains 2 administration buildings and 4 barracks.

General Storage Area

Area E contains 6 storage and 6 support buildings, an open storage area, and a probable water tower. One storage building was under construction on August 1964 coverage.

POL Storage Area

Area G contains 2 probable buried POL tanks and one support building.

Another POL storage area with at least 3

medium and 3 small storage tanks is located approximately 2 km south of the depot.

Equipment Storage/Maintenance Areas

Area J1 contains one 180- by 60-foot vehicle maintenance building, one 200- by 90-foot vehicle park (2 rows of probable vehicles observed on June 1964 coverage), and one 400- by 60-foot vehicle park.

Area J2 contains one 180- by 75-foot probable vehicle maintenance building, one 450- by 280-foot vehicle park (4 rows of probable vehicles observed on June 1964 coverage), and 3 support buildings.

Athletic Field

Area K is a probable drill field.

Small-Arms Firing Ranges

Area L1 is a 550- by 50-foot small-arms firing range and Area L2 is a 300- by 130-foot small-arms firing range.
